"Why Catholic?" It's Not Just a Question. It's an Answer!

We invite each of you and anyone you would like to bring along to consider stepping outside of your regular routine during this fall and spend some time unfolding and dwelling within the mystery of the Sacred One. Strengthen bonds with members of our parish community—some of whom you may know, others whom you will meet. A brand new *Why Catholic?* six-week faith-sharing series is starting up this month! Some groups meet at the Parish Center and others in the home of a parishioner one time a week for 90 minutes. The theme for 2014 is “The Sacraments”. If your schedule does not allow you to attend all of the sessions, attend the ones that you can. Many have felt hesitant to join but took the risk and were glad they did. Give it a try ... we look forward to welcoming you. Sessions begin the week of **September 28, 2014.**
