## 3<sup>rd</sup> Sunday of Easter

“Were not our hearts burning within us while he spoke to us on the way and opened the Scriptures to us?” Luke 24:32

### WELCOME!

#### SAINT MARY - SAINT CATHERINE

Our Mission is to make active disciples of Jesus Christ by creating a welcoming community rich in spirituality and by moving people to share their God-given talents in the service of others and the care of creation.

We are an intentionally inclusive Roman Catholic parish that welcomes all those who make up our diverse community in a way that reflects God's love.

Nourished by the Gospel and the real presence of Jesus in the Eucharist, we strive to build a vibrant parish that strengthens our faith and elevates our worship.

#### SAINT FRANCIS DE SALES

Led by the Holy Spirit, the Parish Family of Saint Francis de Sales seeks to know and celebrate Jesus through Mass, Prayer, Sacrament and Service.

Saint Francis de Sales Church is the oldest consecrated church in New England, the oldest in the city of Boston in continuous service, and the fourth oldest in America, built in 1859, on the top of Bunker Hill. Saint Francis is known affectionately as the Firefighter's church – The statue of St. Florian, patron saint, is located in the bell yard next to the church.

## From our Pastor ...

Last week I saw the play “My Fair Lady”, and I truly enjoyed it- it’s a great story, with tremendous music and acting, and it made me think how language can change everything- how words can build us up, but it can also tear us apart.

In today’s Gospel, Jesus, the great Teacher, speaks of the great truths that we celebrate these holy days with two of his disciples on their road to Emmaus, and they discover Him in the Eucharist, as their hearts burned with the hope that His resurrection would mean to us all.

We are called to share the Good News, by our words, actions, and lives- all of us can change the lives around us in God’s holy name. May the Easter message burning within us like the fire on the Easter candle attract others, not just by the brightness of its light, but by its warmth, too.

### April 23: Third Sunday of Easter:

In this Sunday’s Gospel, as we hear the story of the disciples on the road to Emmaus,

We also come to know that our daily reaching out to our neighbor is our daily walk with the risen Christ;

We recognize him in others.

This month, through your gifts, the Society of St. Vincent de Paul brought the love and care of Jesus to the poor by assisting three families, providing beds, a bureau and rental assistance totaling \$1,317.15.

Thank You!

# Saint Catherine of Siena

1347-1380  
FEAST DAY: APRIL 29

Catherine was the 24th of 25 children of a Siennese dyer; her mystical experiences and raptures began at age 6. She refused to marry, and about 1367 joined the Third Order of St. Dominic. She attracted a like-minded group in Siena for prayer and good works and devoted her last five years to church unity and ending the scandal of rival papacies. Though she experienced the pain of the stigmata, it became visible only after her death at 33. And, in an odd division of relics, her body is in a Roman church, while her head is in a Siennese church. Named a doctor of the church in 1970, Catherine is a patron saint of Europe and Italy, and the patron of fire prevention, nurses and nursing.

“Take as your example your heavenly patroness, St Catherine, a humble and fearless Dominican tertiary who gave herself unsparingly for the Church. For everyone may this great saint be not only a special protectress but a model to follow on the path of holiness.”

**We are hiring!**

The Pastoral Assistant for Faith Formation coordinates the Religious Education program for students in grades K-8, including Youth Group, along with Confirmation 1 and 2. The Program Coordinator attends meetings with parish staff and meets and works regularly with the Pastor, Pastoral Associate and the Parent Advisory Council to plan classes, Masses and Family Formation activities.

# The Parish Pastoral Council 2023

On Pentecost, May 28, 2023 at the 11:00 a.m. Family Mass, we will select names of persons who have been nominated and have accepted nomination to be members of our Parish Pastoral Council. With the guidance of the Holy Spirit, four names will be selected by lot. The nomination process begins on the weekend of April 22/23. Only registered parishioners may nominate or be nominated.

Nominees must also participate in the sacramental life of the Church and be 18 years of age or older. PPC members must serve a full term of three (3) years and attend monthly meetings from September to June. As a consultative body, the Parish Pastoral Council is responsible to the pastor, assisting and supporting him in his leadership role. It recognizes the varied gifts of the parish members and invites them to an active leadership role in the parish.

The Council is an important means by which the pastor hears the voice of parishioners. In deliberations and consultation with the pastor, the council helps to unite the pastor and parishioners. Together they discern the pastoral needs of the parish and ways in which those needs can be addressed.

Once the nominations are in, the nominees will be contacted to see if they accept the nomination. If they do, their names will go into a “pot” for selection on Pentecost Sunday. Regardless of how many times people are nominated, their names are placed into the pot only once.

Please prayerfully consider possible candidates for the Council and submit their names no later than Tuesday, May 16th, to give us adequate time to contact the nominees prior to selection on Pentecost Sunday.

Nominate by filling out the 2023 Parish Council Nomination Form below. You may place the form in a the box on the table near the entrance of the church, mail it, drop it off at the Parish Center.

We thank departing members of the Council for their insight on serious issues and dedication to Parish initiatives. Our community is not complete without the guidance and support of such wonderful people.

## April 23 ~ Third Sunday of Easter

In today's gospel we meet the disheartened disciples on the Road to Emmaus, a road out of Jerusalem. Being discouraged at the death of Jesus, they have an encounter with Christ that changed them forever. Jesus met them where they were, listened to them and opened their minds and hearts. He did something familiar, "he took bread, said the blessing, broke it, and gave it to them" and by doing this their eyes were opened and they recognized him. Jesus is with us at every Mass in the scripture we hear and in the breaking of the bread – in the Eucharist. Do we recognize him there? Like those early disciples,

after receiving Christ in the Eucharist will we say, 'Were not our hearts burning within us...?' Let us pray for one another that our hearts will "burn within" each time we receive Jesus in Holy Communion.

## NUEVAS INTERPRETACIONES DE LO QUE SE CONSIDERA UN DERECHO HUMANO.

### Los bases

De acuerdo con la Oficina del Alto Comisionado para los Derechos Humanos de las Naciones Unidas, los derechos humanos son derechos inherentes a todos los seres humanos sin "distinción alguna de nacionalidad, lugar de residencia, sexo, origen nacional o étnico, color, religión, lengua o cualquier otra condición". Los derechos humanos son universales e inalienables (lo que significa que sólo pueden ser limitados en situaciones específicas de acuerdo con el debido proceso). Por otra parte, cada ser humano tiene el mismo derecho a sus derechos humanos sin discriminación, ya que, según el artículo 1 de la Declaración Universal de Derechos Humanos, "todos los seres humanos nacen libres e iguales en dignidad y derechos".

### Entonces, ¿cuál es el problema?

El informe final del Sínodo Extraordinario de los Obispos apunta a la raíz del problema:

"... La misma consideración debe darse al creciente peligro representado por un individualismo preocupante que deforma los lazos familiares y termina considerando cada componente de la familia como una unidad aislada, lo que lleva, en algunos casos, a la idea de que una persona se forma de acuerdo a los propios deseos, que son considerados absolutos". (5)

Luego del sínodo del 25 de noviembre de 2014, el Papa Francisco se dirigió tanto al Parlamento Europeo como al Consejo Europeo. En su discurso ante el Parlamento Europeo, El Papa Francisco hizo eco y elaboró sobre lo dicho en el Sínodo Extraordinario refiriéndose tanto a su documento preparatorio como al informe final:

"Hoy en día existe una tendencia a reclamar derechos individuales cada vez más amplios... El concepto esencial y complementario del deber ya no parece estar ligado a un concepto del derecho como tal. Como resultado de ello, los derechos de las personas son respetados, sin tener en cuenta el hecho de que cada ser humano es parte de un contexto social en el que sus derechos y obligaciones están ligados al de los demás y con el bien común de la sociedad misma".

### Luego el Papa Francisco dijo al Consejo Europeo:

También hay que tener en cuenta que, aparte de la búsqueda de la verdad, cada individuo se convierte en el criterio para la medición de sí mismo y de sus propias acciones. El camino se abre así a una afirmación subjetivista de los derechos, por lo que el concepto de derechos humanos, que tiene una importación universal por naturaleza, se sustituye por una concepción individualista de los derechos. Esto ... favorece a la globalización de la indiferencia nacida del egoísmo.

En otras palabras, como en el caso de la discusión del mes pasado en la cultura del no-compromiso, el excesivo individualismo es la fuerza impulsora principal detrás de esta preocupación. Una vez más, un excesivo individualismo es una mentalidad que afirma que el primer deber del individuo es sacar el mayor provecho personal de la propia vida, en lugar de contribuir al bien de los demás. Es una mentalidad que socava el matrimonio, con su invitación a la reciprocidad total del don de sí, y crea, como el Sínodo nos recuerda, "una mentalidad contraria a tener hijos".

### El Enlace con el relativismo

El fenómeno del individualismo excesivo puede estar vinculado a la filosofía del relativismo, que domina gran parte de la cultura occidental. La esencia del relativismo es que los puntos de vista no tienen la verdad absoluta son de valor relativo, y de validez sólo subjetiva. Esto significa que toda verdad es "relativa" al individuo.

El problema es que el relativismo es, de hecho, una filosofía que se basa en la negación de la verdad objetiva, o al menos niega nuestra capacidad de conocer la verdad, lo que equivale a la negación de la verdad revelada de Dios, de la fe en el Dios de la revelación y, en última instancia, de Dios.

También se encuentra en total contradicción con cualquier noción de la universalidad y la inalienabilidad de los derechos humanos privándoles finalmente de sentido. En resumen, el relativismo se trata de lo que nosotros, como individuos, queremos. Nos deja susceptibles a falsas nociones tales como:

- todo lo que es legal es moral;
- los sentimientos deben preceder a la razón cuando se trata de toma de decisiones morales;
- la moralidad consiste en todo lo que es aceptable para la cultura en un momento dado; y
- tener la razón por la fuerza.

Además, en un sistema de este tipo, el pragmatismo generalmente gana influencia. El pragmatismo sostiene que lo que funciona para el individuo es cierto. En otras palabras, no podemos saber si algo es verdadero o no hasta que lo hacemos y vemos si funciona. Naturalmente, una mentalidad de "el fin justifica los medios" acompaña generalmente al relativismo y al pragmatismo - aunque los extremos están cambiando constantemente.

Esta realidad de extremos que cambian constantemente es lo que es tan problemático al relativismo. Cuando nuestra última y suprema norma y guía de conducta es el deseo separado de lo trascendente, nos encontramos en última instancia sin ningún estándar, porque los deseos mundanos de la humanidad, pueden cambiar y estar desorganizados.
