## 3rd Sunday of Lent

*"While he was in Jerusalem for the feast of Passover, many began to believe in his name when they saw the signs he was doing.  
But Jesus would not trust himself to them because he knew them all and did not need anyone to testify about human nature.  
He himself understood it well." (Jn 2: 23-25)*

### WELCOME

*To visitors to our parish, to those who have recently moved into the area,  
and to those who are comfortable and nourished here—**welcome to all!**  
Please introduce yourself to the priest, and register as a member of our parishes.*

### SAINT MARY - SAINT CATHERINE

Our Mission is to make active disciples of Jesus Christ by creating a welcoming community rich in spirituality and by moving people to share their God-given talents in the service of others and the care of creation.

We are an intentionally inclusive Roman Catholic parish that welcomes all those who make up our diverse community in a way that reflects God's love.

Nourished by the Gospel and the real presence of Jesus in the Eucharist, we strive to build a vibrant parish that strengthens our faith and elevates our worship.

### SAINT FRANCIS DE SALES

Led by the Holy Spirit, the Parish Family of Saint Francis de Sales seeks to know and celebrate Jesus through Mass, Prayer, Sacrament and Service.

Saint Francis de Sales Church is the oldest consecrated church in New England, the oldest in the city of Boston in continuous service, and the fourth oldest in America, built in 1859, on the top of Bunker Hill. Saint Francis is known affectionately as the Firefighter's church – The statue of St. Florian, patron saint, is located in the bell yard next to the church.

## TERCER DOMINGO DE CUARESMA

Acompañado de sus discípulos, Jesús sube por primera vez a Jerusalén para celebrar las fiestas de Pascua. Al asomarse al recinto que rodea el Templo, se encuentra con un espectáculo inesperado. Vendedores de bueyes, ovejas y palomas ofreciendo a los peregrinos los animales que necesitan para sacrificarlos en honor a Dios. Cambistas instalados en sus mesas traficando con el cambio de monedas paganas por la única moneda oficial aceptada por los sacerdotes.

Jesús se llena de indignación. El narrador describe su reacción de manera muy gráfica: con un látigo saca del recinto sagrado a los animales, vuelca las mesas de los cambistas echando por tierra sus monedas, grita: «No convirtáis en un mercado la casa de mi Padre».

Jesús se siente como un extraño en aquel lugar. Lo que ven sus ojos nada tiene que ver con el verdadero culto a su Padre. La religión del Templo se ha convertido en un negocio donde los sacerdotes buscan buenos ingresos, y donde los peregrinos tratan de "comprar" a Dios con sus ofrendas. Jesús recuerda seguramente unas palabras del profeta Oseas que repetirá más de una vez a lo largo de su vida: «Así dice Dios: Yo quiero amor y no sacrificios».

Aquel Templo no es la casa de un Dios Padre en la que todos se acogen mutuamente como hermanos y hermanas. Jesús no puede ver allí esa "familia de Dios" que quiere ir formando con sus seguidores. Aquello no es sino un mercado donde cada uno busca su negocio. No pensemos que Jesús está condenando una religión primitiva, poco evolucionada. Su crítica es más profunda. Dios no puede ser el protector y encubridor de una religión tejida de intereses y egoísmos. Dios es un Padre al que solo se puede dar culto trabajando por una comunidad humana más solidaria y fraterna.

Casi sin darnos cuenta, todos nos podemos convertir hoy en "vendedores y cambistas" que no saben vivir sino buscando solo su propio interés. Estamos convirtiendo el mundo en un gran mercado donde todo se compra y se vende, y corremos el riesgo de vivir incluso la relación con el Misterio de Dios de manera mercantil.

Hemos de hacer de nuestras comunidades cristianas un espacio donde todos nos podamos sentir en la «casa del Padre». Una casa acogedora y cálida donde a nadie se le cierran las puertas, donde a nadie se excluye ni discrimina. Una casa donde aprendemos a escuchar el sufrimiento de los hijos más desvalidos de Dios y no solo nuestro propio interés. Una casa donde podemos invocar a Dios como Padre porque nos sentimos sus hijos y buscamos vivir como hermanos.

San Casimiro fue un campeón de los pobres y promovía la paz en todo el reino de su padre. ¿De qué manera puedes servir a los necesitados en esta Cuaresma?

Lord, you have the words  
of everlasting life.

—John 6:68c

## March 3 ~ Third Sunday of Lent

In today's Gospel, Jesus may come across as harsh. Jesus knew well the wrongs and injustices that were prevalent in some temple practices. His action is meant to highlight those who made it difficult, if not impossible, for people to feel welcome in the house of God. Are our attitudes or ways of behaving as church or as parish seen as snobbish or impersonal or unwelcoming? In our efforts to be a welcoming and evangelizing parish, it is important that each of us examine our attitudes and work to change what might keep people from feeling at home with us. During these Lenten days let us make it our mission to make our parish a place where everyone has a place, and no one feels excluded.

**The month of March is dedicated to St. Joseph.** We don't know much about him except what is mentioned in the Gospels. Joseph was the husband of the Blessed Virgin Mary and the foster-father of Jesus. Holy Scripture proclaims him as a "just man," Pope Leo XIII in his encyclical *Quamquam Pluries* (*On the Devotion to St. Joseph*) in 1889 explains why we place so much trust in this saint:

"Thus in giving Joseph the Blessed Virgin as spouse, God appointed him to be not only her life's companion, the witness of her maidenhood, the protector of her honor, but also, by virtue of the conjugal tie, a participator in her sublime dignity. And Joseph shines among all mankind by the most august dignity, since by divine will, he was the guardian of the Son of God and reputed as His father among men. Hence it came about that the Word of God was humbly subject to Joseph, that He obeyed him, and that He rendered to him all those offices that children are bound to render to their parents."

### Fiat (3/20)

Fiat, a gathering of women interested in learning more about religious life, cordially invites you to the next meeting on Wednesday, March 20, 2024 at 7:00 p.m. (ET) on Zoom. ## March 25—The Feast of the Annunciation

The Feast of the Annunciation, which is celebrated on March 25 every year, goes by many names. It is known as the Solemnity of the Annunciation, the Feast of the Incarnation, Conceptio Christi, or Lady Day. It is a Christian holiday commemorating the visit of the angel Gabriel to the Virgin Mary, where he announced that she would give birth to Jesus Christ.

The Feast of the Annunciation cuts across many factions of Christianity, but it is specially celebrated in Catholic, Orthodox, Anglican, and Lutheran churches. The holiday is counted as one of the eight great feasts of God in Orthodox Christianity, and it is a major Marian feast.

## FAITH FACTS

### THE APOSTLES: SIMON THE ZEALOT

There were two apostles called Simon. Simon Peter was chief among the apostles. The other Simon was called 'Simon the Zealot.' The name means that he was zealous, or very enthusiastic, in keeping the commandments of the Jewish Law. The main part of the Jewish Law was the Ten Commandments, but there was much more besides.

Very little is known about Simon the Zealot. He preached in many places. One of the symbols in art for Simon is a fish upon a book, to show that he was a fisher of men through preaching the gospel. Another symbol is a saw, because his body was thought to have been sawn in half.

# LIVING LIFE AFTER COVID

**“I have two words for Long Covid – the worst,” shares Eric T. of Burlington, MA.**

While the initial alarm of the Covid-19 outbreak has subsided, the pandemic is ongoing. The spread may have slowed but we continue to feel the long-term impacts. Nearly 23 million Americans (100 million people globally) have learned that regardless of the severity of their initial infection, they may continue to experience debilitating symptoms for weeks, months, or even years. In a number of cases, these symptoms worsen with time, even turning deadly.

**“I got Covid early last year, and it was pretty bad,” shares Eric. “I was hospitalized for 9 days, and there was a point where I wasn’t sure I would make it. I’m still here, so I guess God had other plans but months passed, and I was still gasping for air. I couldn’t do everyday tasks like cutting the grass or working in the yard, much less enjoy a quick bike ride. And then there was what my doctor called ‘brain fog.’ I’d lose my train of thought mid-sentence or forget words for stupid things like plates and toilet paper. It felt like I’d had a stroke more than it did a virus.”**

Officially dubbed Long Covid, the aftermath of the original virus has taken on a life of its own. Dozens of symptoms have been reported, including shortness of breath and cognitive issues to a sudden onset of diabetes and cardiothoracic conditions.

These symptoms are so well-documented and common that those suffering now qualify for disability assistance.

Unfortunately for Eric and so many others, the treatment options thus far have been limited.

**“I started with my primary care doctor and saw specialist after specialist. A pulmonologist finally told me ‘this is the best we can do for you, it’s time you start thinking about how you’re going to live with Long Covid.’ Apparently, their best was letting me live what felt like half a life.”**

Eric wasn’t satisfied with that and resigned to doing his own research, which is how he ended up here at AWC Acupuncture & Wellness Clinic. “I fully believe the human body has the ability to heal itself, but sometimes it needs a little push. I’ve used acupuncture in the past to help me through a bout of sciatica and just knew if anyone could help me with this Long Covid business, it was going to be Acupuncturist, Min Jeon D.Ac. Lic.Ac.”

You might think that a novel virus needs a novel solution, but you’d only be half right. While we are using innovative solutions like ATP Resonance BioTherapy® to combat Long Covid because it aids in the healing and repair of specific cells and tissues, it’s a much more time-tested science that’s getting our patients back to living their lives.

AWC Acupuncture is the premier provider of ozone therapy in the state.

**“Our O3 ReBoot Therapy® has all-encompassing and powerful healing capabilities,” shares Clinical Director Rebecca Rinn. “Ozone therapy has been used since the 1800s and was actually a popular tool for Doctors during the first world war because of its antibacterial, antiviral and anti-inflammatory properties. We use it today to inactivate residual Covid virus, stimulate oxygen metabolism and activate the immune system. And the whole treatment takes about 15 minutes and is completely noninvasive.”** As with our other services, O3 ReBoot Therapy® requires consistent and repeated treatment to achieve measurable and long-lasting results.

**“I’m in my second month of treatment and back to riding my bike and maybe breathing better than before I even had Covid. Everyone [at AWC] has been amazing! I feel cared for every time I walk in the door.”**

Acupuncturist Min Jeon D.Ac. Lic.Ac. has successfully treated chronic pain and complicated conditions for over two decades. When Covid-19 emerged three years ago, we researched and developed therapies to address the complex virus effectively. Based on the testimony of patients like Eric, our efforts are a smashing success.
