## SAINT MARY - SAINT CATHERINE

Our Mission is to make active disciples of Jesus Christ by creating a welcoming community rich in spirituality and by moving people to share their God-given talents in the service of others and the care of creation.

We are an intentionally inclusive Roman Catholic parish that welcomes all those who make up our diverse community in a way that reflects God's love.

Nourished by the Gospel and the real presence of Jesus in the Eucharist, we strive to build a vibrant parish that strengthens our faith and elevates our worship.

## SAINT FRANCIS DE SALES

Led by the Holy Spirit, the Parish Family of Saint Francis de Sales seeks to know and celebrate Jesus through Mass, Prayer, Sacrament and Service.

Saint Francis de Sales Church is the oldest consecrated church in New England, the oldest in the city of Boston in continuous service, and the fourth oldest in America, built in 1859, on the top of Bunker Hill. Saint Francis is known affectionately as the Firefighter's church – The statue of St. Florian, patron saint, is located in the bell yard next to the church.

## The 2025 Catholic Appeal

### Moving Forward in Faith... Together

One of the most meaningful ways that we deepen the impact of our Archdiocese's schools, parishes, and ministries is by supporting the Catholic Appeal. Your partnership and participation carry Christ's love into our communities and spread hope. Many of you may have received a letter from Archbishop Richard Henning requesting your support of the 2025 Catholic Appeal.

We hope that you will respond to his invitation with a generous gift, knowing that each contribution makes a difference. Your early support will help launch our parishes' campaigns in a positive way.

The Appeal is a primary means by which we enfold our brothers and sisters into Christ's circle of care. On behalf of Archbishop Henning and all who benefit from your generosity, Thank you.

To make an on-line donation or to learn more about the impact your donation will have, go to [bostoncatholicappeal.org](http://bostoncatholicappeal.org).

*Thinking positively and wishing good for others is a prayer.*

*When you hug a friend- that's prayer.*

*When you cook something to nourish family and friends, that's a prayer. When we send off our near and dear ones and say, 'drive safely' or 'be safe'- that's a prayer.*

*When you are helping someone in need by giving your time and energy- you are praying.*

*When you forgive someone, that is a prayer.*

*Prayer is a vibration. A feeling. A thought.*

## A brief update from Sunday's Youth Group, February 2nd -

Students learned about Patron Saints and, in particular, St. Valentine. They discussed how someone becomes a saint and what it means to be a saint.

Two students from the Confirmation 2 class helped co-lead the class with Kerry and Madison, adding their own understanding and knowledge about saints and shared the saint names that they recently chose as their confirmation names in preparation of making the Sacrament of Confirmation this May.

Then, in honor of St. Valentine, the class decided to make Valentines for children recovering at the Spaulding Rehab Hospital in Charlestown. Attached are a few photos of the very creative and uplifting Valentines that the students made, including a group photo of the Valentine-inspired artists with Fr. John, who joined the group in making Valentines.

The Valentines will be delivered to the Chaplain at Spaulding Rehab later this week. He will ensure that they are delivered to children and families in anticipation of February 14th.

Thank you to Andrea Gorman and Lauren Digange for volunteering to bring pizza and water to Sunday's class.

If you'd like to volunteer for pizza or water for upcoming Youth Group classes, please use this [link to sign up](#).

The next class for Youth Group is Sunday, March 2 at 7pm, after the 6pm mass.

## A few updates from Sunday's Confirmation 1 & 2 classes -

Confirmation 1 continued their discussion on the Holy Spirit, Part 2, and learned about the gifts of the Holy Spirit and discussed what we should do with the gifts God gives to us. Then, the class broke into 3 groups and played a few rounds of Jeopardy where they were quizzed on their knowledge on religious education topics covered to date, including the Bible, the Books in the Old Testament, and the Names of the 4 Gospels. Thank you to Emily and Abigail for leading the game and making it so much fun everyone! Although there was one winning group, everyone left with prizes.

Meanwhile, Confirmation 2 students concluded their discussion on Prayer and began a new discussion on the Holy Spirit and the role that the Holy Spirit plays in their lives. Saint Reports are complete and Letters of Intent are in the process of being written and submitted by the end of the month. Sponsor names are due by March 15th. The students are making great progress as they move closer to making the Sacrament of Confirmation on Saturday, May 10th. Many thanks to Ari and Nick for making the class so enjoyable and keeping everyone on track.

Next classes for Confirmation 1 & 2 is Sunday, March 2nd at 7pm, following the 6pm mass.

Thank you,  
Cynthia Markey

## Week of February 16: Jubilee Year 2025: Pilgrims of Hope

### What is this Jubilee about?

This jubilee is called Pilgrims of Hope. We are called to rediscover the hope of Christianity and then be signs of hope to others in our daily life. It goes from December 29, 2024 to December 28, 2025. Pope Francis prays that this "Jubilee be a moment of genuine, personal encounter with the Lord Jesus, the 'door' (cf. Jn 10:7.9) of our salvation, whom the Church is charged to proclaim always, everywhere and to all as 'our hope' (1 Tim 1:1)" (*Spes Non Confundit*, 1). You can learn more at [bit.ly/JubileeOfHope](https://bit.ly/JubileeOfHope).

GRATEFULLY ACKNOWLEDGING  
THAT GOD GIVES US ALL,  
WE EACH WILLINGLY OFFER OUR  
UNIQUE GIFTS TO ONE ANOTHER  
AND ALL CREATION  
IN THE SPIRIT OF JESUS CHRIST.

## February 16 ~ Sixth Sunday of Ordinary Time

We hear the Beatitudes proclaimed in today's gospel. The text is so familiar, it is easy for our thoughts to drift off and miss what Christ is saying. Take time this week to reflect on these Beatitudes. As you do so, notice how they take accepted standards and turn them upside down. The people whom Jesus called happy, the world calls wretched and despised; and the people Jesus called wretched the world would call well-off and happy. Imagine the response we would get when saying, "Happy are the poor," and "Woe to the rich!" Jesus talks like this to put an end to the world's values. We may very well have forgotten how revolutionary these beatitudes are. The question before us today is - will we concentrate on the world's values or, will we concentrate on living according to the values of Christ?

Las palabras de Jesús que aparecen en el evangelio de hoy tienen que haber resonado en nuestros oídos de una forma especial. Es una lectura que va dirigida a la línea de flotación de nuestra vida de hombres y mujeres de fe, van directamente a lo fundamental, al cimiento sobre el que nos vamos construyendo como seres humanos y como personas creyentes. Cada vez que escuchamos este texto de Lucas capítulo 6, o su paralelo del evangelista Mateo, si lo hacemos con la disposición necesaria no nos puede dejar impasibles. Posiblemente esta página evangélica sea de esas que nos gustaría que no existieran en el evangelio, o que si pudiéramos arrancaríamos de él, porque son una demostración de los lejos que estamos todavía de cumplir con el espíritu de Jesús, de ese espíritu que él quería transmitir a los suyos, y que quería que los suyos practicasen.

Las Bienaventuranzas son un mensaje que una vez leído y escuchado, uno tiene que mirarse a sí mismo, en su propio interior, y decir con humildad, Señor y yo que me justifico con cumplir unas cuantas normas, más o menos fáciles, y no he dado ni siquiera los primeros pasos en lo que dice relación a tus normas fundamentales: la Bienaventuranzas.

Ante las Bienaventuranzas caben entre otras, dos tentaciones: una, el pensar que no están escritas para uno, sino para los demás, no para que las cumpla yo, sino para que las cumplan los otros. Y otra, pensar que como otros mensajes del evangelio, son pura utopía, es decir son irrealizables, y por lo tanto nos parecen muy bien, pero no les hacemos ningún caso. Las bienaventuranzas, son la mejor demostración del mensaje novedoso de Jesús, ellas representan el vino nuevo, frente al añejo; ellas son imagen del nuevo estilo de Jesús frente a la tradición, las costumbres y los ritos sin vida de los judíos. Las Bienaventuranzas son la Buena Noticia que Jesús está comenzando a proclamar a aquellos que quieran oírle.

Si vamos repasando cada una de la Bienaventuranzas, ¿nos vemos reflejados en ellas?: Dichosos los pobres... Dichosos los que lloran... Dichosos los limpios de corazón... dichosos los que trabajan por la paz... dichosos cuando os insulten por mi causa... Es este un mensaje del que se puede decir y hablar mucho y muy fácil, pero corres un gran peligro porque los que te conocen pueden decir, este está hablando de cosas que él no hace. El mensaje de las Bienaventuranzas es un mensaje que más que invitar a hablar, invita a practicarlo, tienen que ser las obras las que hablen de él, y normalmente los que las cumplen suelen hablar poco.

Las Bienaventuranzas deberían ser como un espejo ante el cual, yo siempre reconociera lo que me falta para dar pasos en la dirección de lo que Jesús me pide, deberían ser más que algo que cumplo, como una aspiración siempre constante, como una meta a la que intento siempre acercarme, pero a la que siempre me queda algo para llegar. Las Bienaventuranzas deberían dinamizar nuestra acción, ser el impulso siempre constante en nuestro actuar humilde, pero responsable. Estamos en la campaña de Manos Unidas en su lucha contra el Hambre en el mundo, recogemos los sobres que repartimos el domingo pasado, esa campaña nos recuerda que otro mundo es posible, que las estructuras sobre las que está basado el actual modelo de sociedad, están abocadas al fracaso porque no puede durar mucho aquello que está sustentado sobre tan evidente desigualdad.

La satisfacción de sentir a Jesús a nuestro lado en este empeño es lo que nos da ánimos para seguir intentándolo, y aportar nuestro pequeño grano de arena a la hora de construir un mundo donde el espíritu de las bienaventuranzas esté mucho más presente y sea más actual. Se lo pedimos al Señor, especialmente para nosotros, y hoy más que nunca reconocemos con humildad nuestros fallos y defectos iluminados por la doctrina de las Bienaventuranzas, y pedimos de forma especial por los que menos tienen...
